

PELI AIR CASES

Cases in the Peli Air range share many features with the classic protector range of cases, including the double step latches, automatic purge valves, watertight O-ring gaskets, rubber over moulded handles and stainless steel padlock hasps.

On top of this, air cases are super light thanks to the proprietary HPX² polymer. They also feature a 'conic curve' lid shape

and removable polycarbonate card holders.

Every air case is available with a 'pick n pluck' foam set, and most also have a compatible padded divider set and trekpak divider set too.

Code	Internal Dimensions (L x W x D) (mm)	Lid Depth (mm)	Base Depth	External Dimensions (L x W x D) (mm)	Weight (kg)		Colour	Wheeled Case	Foam Set	Trekpack Dividers
